Jempson's
INSURANCE

HOW TO...

make sure you don't get burnt by inadequate cover

Whatever your travel plans are this year, Jempson's Insurance has a number of travel options, all designed to make your holiday as enjoyable as possible.

Online vs Phone line

A number of the online insurers strip down your cover to make it "cheap". But that doesn't always mean "cheerful".

And if something happens while you're away you want to be confident that you're fully covered.

The personal touch

Ask Jempson Insurance to quote for your annual or single trip cover. We'll talk to you about your needs, offer you expert advice and provide a competitive quote for the most suitable cover.

Wouldn't you rather have the assurance of speaking to someone local and knowing that your policy covers what you need it to?

Say "No" to self-catering insurance.
Say "Yes" to all inclusive cover.

Talk to the travel experts

We're used to dealing with unusual scenarios, including elderly or disabled travellers. So a simple, straightforward trip is a walk in the park. And we're here to help you if you need to make a claim too.
