## HOW YOU CAN EARN CASH FOR YOUR SCHOOL

We like to reward our loyal customers and our local communities whenever we can. That's why we've introduced the **Cash for Schools** card. A simple scheme which gives you points every time you shop, but unlike other schemes this card gives you **DOUBLE POINTS** and is converted into **CASH**, not vouchers to send to your local school.

To qualify for points you only have to spend £1 or over per visit. For every £1 spent you get 1 point. At the end of the collecting period your total points are **DOUBLED**.

So if you collect 500 points, Jempsons will add a further 500 points making a total of 1000 points, (£10.00 cash). Any points left over will be carried over to the next quarter.

## APPLY FOR YOUR FREE 'CASH FOR SCHOOLS' CARD

Complete the application form and post it in the **Cash for Schools** information kiosk. We'll issue your card by post. Sign it and start saving for your school right away!

How's it work? Simply hand your **Cash for Schools** card to the checkout operator before your shopping is scanned. Your till receipt will then show the number of points gained from that visit and the total points to date. These points will then be converted automatically into cash at the end of each collecting period and a cheque sent to your nominated school. It's that simple.
