Switch to own-brand and see what you could save

There's no need to go out of your way to make your money go further when you've got Nisa on your doorstep. The average shopper

can make a potential saving of **£14.63*** per week on their food and groceries simply by switching from branded to own brand products.

Find Co-op essentials instore

*The saving of **£14.63** per week on food and groceries when switching from branded to own brand products (excluding premium ranges) has been calculated from Kantar data which looked at average spending on grocery consumer packaged goods across 30,000 UK households and multiple food retailers (excluding Nisa Partner stores) over an 8 week period up to 21st March 2022.

Some promotions may have been cancelled or changed after we printed this leaflet. Look out for in-store disclaimers which summarise these changes. Some variants may not be available in all stores and some offers may vary across stores. We reserve the right to limit purchases. All prices correct at the time of going to press. Half price indications and savings relate to Nisa recommended retail prices and may differ in some stores.
