# Jempson's Talking Shop

## Stephen Says...

Dear Customer,

As the end of the year approaches and we begin to think about the Christmas Holidays and the festivities we have planned, it is good to reflect on the year gone by. The difficult days of the pandemic are thankfully behind us, although the effects will be felt by all for a long time to come.

We have seen a difficult political climate this year, the terrible war in Ukraine and a cost of living crisis that has had a huge impact on families, individuals and businesses.

We celebrated the Queen's Jubilee in June and then as a Nation mourned her death in September. And so as a New Year approaches, once more it falls to us to thank you for all the encouragement and feedback you have supplied us with during the year. **May we take this opportunity to wish you a Happy Christmas and a safe, healthy New Year.**
